Dear Parents,

The Wayne Township Public Schools believes that students thrive academically, socially and personally when they feel safe and respected, no matter their background or beliefs. We are committed to fostering a culture free from bias, bullying and name-calling, where students feel empowered to embrace diversity in themselves and in others. As part of our continued efforts to maintain a welcoming and inclusive environment, this year we are excited to introduce the *No Place for Hate*® program to our schools.

- *No Place for Hate* is an initiative developed by the Anti-Defamation League, a leading civil rights organization that has worked for over a century to “secure justice and fair treatment to all.”
- The program creates inclusive school environments that celebrate diversity, promote respect for differences and challenge bias and bullying.
- *No Place for Hate* connects our school to more than 200 other institutions in the region and 1500 schools across the country.

You can help support our *No Place for Hate* campaign in a number of ways:

- Ask about the *No Place for Hate* activities and events at your child’s school
- Along with your child, sign the *No Place for Hate* [Promise](#) (Elementary Schools) or [Resolution of Respect](#) (Middle and High Schools) to commit to ending bigotry and bullying;
- Practice *No Place for Hate* at home! For family resources on challenging bullying and bias, visit the wayneschools.com website or...

We look forward to working with you and your child to make all our schools *No Place for Hate!*

Sincerely,
